REVIEW OF THE WORK TURNED OUT BY THE SUBORDINATE CIVIL COURTS IN THE STATE DURING THE QUARTER ENDING WITH MARCH 1925.

PART I.

1. *Number of Courts.*—There was no change in the respective number of courts exercising appellate and original jurisdictions, *viz.*, 6 and 30 including the additional Subordinate Judge's Court at Mysore, and the two Additional Munsiff's Court at Mysore and Bangalore.

2. *Appellate work.*—(*a*) District Judges (3)—There was a slight fall in disposals (140 to 119) of regular and miscellaneous appeals taken together, resulting in an increase (760 to 769) in the number pending.

(*b*) Subordinate Judges (3 including the Additional Sub-Judge, Mysore and excluding the Sub-Judge, Bangalore):—In spite of an increase in disposals (114 to 152) the pending file remained almost steady, due to an increase in institution.

3. *Original work.*—(*a*) District Judges' Courts (3):—There was a further rise in institutions (13 to 17) and an appreciable rise in disposals (19 to 29), resulting in a reduction in the pending file (124 to 112), as also in that over one year old (87 to 81).

(*b*) Subordinate Judges' Courts (4 including the Additional Sub-Judge's Court, Mysore).

(*i*) Disposals of original suits slightly rose (71 to 79) and pendency fell (494 to 488).

(*ii*) Along with an increase in institutions of small causes (1,117 to 1,304), the disposals also rose (1,172 to 1,381) while pendency fell appreciably (2,094 to 1,970).

(*c*) Munsiffs' Courts (23 including two Additional Courts):

Notwithstanding an increase in institutions of original and small cause suits (4,090 to 4108 and 4,062 to 4,403, respectively), there was an appreciable rise in disposals (3,927 to 4,496 and 4,103 to 4,610) and reduction in the pending file (9,488 to 9,005 and 3,674 to3,467) the numbers pending over one year having also been reduced (3,310 to 3,168 and 217 to 214).

4. *General.*—There was on the whole an improvement over the results of the previous quarter.
